

Agency AFRS Standardized Interfaces Status

Last Updated
2/12/2021

Legend					
Not Applicable		The focus of this agency summary is on the work outlined by the integration plan for phase 0: ERP readiness, specifically to standardize AFRS interfaces in preparation for OneWa implementation for phase 1a: core financials.			
Not started (NS)		Only agencies identified as requiring a standard AFRS interface are listed below.			
Scheduled (S)		Please note complex interfaces may begin during phase 0 but recognize that work will continue into Phase 1a.			
In-progress (P)					
Complete (C)
